PARK CITY HAS NOW BECOME THE BIGGEST SKIING IN THE UNITED STATES!!

Leading their 6th trip together, Bruce and Valerie are returning to Park City, Utah, the destination of their first trip! During the summer of 2015, Park City Resort undertook the largest resort improvement project in the history of American skiing, one that linked it with its neighbor Canyons Resort to create the United States' largest ski area. From #1 in sweet groomed cruisers to jaw dropping steeps, Park City has it all -- a variable mix of beginner, intermediate and advanced terrain.

We will be staying in the newly renovated Double Tree Hotel near the night life of Park City and a quick shuttle to the most fabulous skiing in all of North America. Park City bustles with activities year-round with three distinct base areas, nine hotels, thrilling family adventures, and more than two dozen restaurants. Park City is an easily accessible, world-class mountain destination located in an authentic and historic western town. And of course it wouldn't be a "Bruce and Valerie trip" without a fabulous trip banquet!
