**Join us for this rare opportunity and RSC's first return in over 25 years at a fabulous price!
Squaw Valley/Alpine Meadows has prime lodging due to its location in a pristine protected setting.**

Squaw Valley/Alpine Meadows is an internationally renowned ski resort at Lake Tahoe California. Host of the 1960 Winter Olympics and known for its unique terrain and epic scenery, it spans more than 6,000 skiable acres after the two resorts recently joined forces. The resort features 42 lifts and 270 trails as well as the European-inspired Village at Squaw Valley featuring over 40 restaurants, bars, boutiques, and art galleries. Squaw is known for terrain that attracts upper level skiers but also has abundant terrain for intermediate skiers and boasts one of the region's only mountain-top beginner areas. Alpine Meadows has a uniquely different vibe with more intermediate and beginner terrain. Both resorts have everything from groomers to chutes, and visitors are guaranteed to find something suitable for their skill set.

We will be staying in 2 BR 2 Bath condos right in the heart of the **Village at Squaw Valley**, just steps away from all the base area lifts. Alpine Meadows is 5 miles away via free resort shuttle that runs throughout the day.
